

Annual Report of Community Benefits

Baylor Scott & White

HEALTH

Baylor Scott & White Medical Center – McKinney

5252 W. University Drive, McKinney, TX 75071

Taxpayer ID # 75-1037591

For the Fiscal Year Ended June 30, 2022

OUR Mission:

Baylor Scott & White Medical Center – McKinney, an affiliated hospital of Baylor Scott & White Health (BSWH), is committed to fulfilling its mission: *“founded as a Christian ministry of healing, Baylor Scott & White Health promotes the well-being of all individuals, families and communities.”*

OUR Community:

For the 2022 Community Health Needs Assessment (CHNA), the hospital has defined their community to be the geographical area of Collin and Grayson counties. The community served was determined based on the counties that made up nearly 80% of the hospital facility's inpatient admissions over the 12-month period of FY20.

OUR Community Health Needs:

The complete 2022 Community Health Needs Assessment (CHNA) and Implementation Strategy can be found at BSWHealth.com/CommunityNeeds. This assessment is a compilation of public and hospital data and input gleaned from stakeholders representing the broad interests of the community. The following health concerns are identified in priority order based on the results of the CHNA.

Priority	Need	Category of need
1	Access to primary healthcare	Access to care
2	Access to mental healthcare	Mental health
3	Preventative screenings - chronic diseases	Conditions/diseases
4	Treatment resources for behavioral health/substance abuse	Mental health
5	Transportation	Environment

OUR Community Benefit:

FY22 Total \$ 46,273,861

Charity Care

\$ 11,221,434

Unreimbursed expenses associated with providing medical care for the indigent, uninsured, and underinsured through Medicaid and other government, state, or local health care programs.

Government Sponsored Programs

\$ 31,309,590

Unreimbursed expenses associated with providing medical care to the beneficiaries of Medicare and other federal, state or local government health care programs.

Community Health Improvement

\$ 516,415

The programs and services that extend beyond patient care activities and include services directed to both individuals and larger populations in the community. These services include such things as educational information about preventive health care and treatment for specific diseases, informational health lectures to help understand various conditions and diseases as well as available treatment options, opportunities that promote healthy activity and wellness initiatives, health fairs and screenings, and support groups.

Health Professions Education

\$ 363,481

Baylor Scott & White Health provides opportunities to health professionals for furthering their education and training. This includes clinical education and supervision for clinical rotations for medical students, nursing students, and other health care professions. Opportunities include but are not limited to Baylor Scott & White Health employees.

Subsidized Health Services

\$ 2,679,553

Clinical programs that are provided despite a financial loss because it meets an identified community need and if no longer offered, it would either be unavailable in the area or fall to the responsibility of government or another not-for-profit organization to provide. (Examples include: outpatient/outreach palliative care services, ECI, and injury prevention/trauma)

Financial and In-Kind Donations

\$ 115,227

Baylor Scott & White Health provides community benefit program grants and support to local non-profit organizations through dedicated community benefit funds as well as donations of staff time, medical supplies or equipment.

Other Community Benefits

\$ 68,161

Baylor Scott & White Health provides other services with the goal of improving the overall health of the community including ongoing assessment of community health needs and evaluation of community health programs and services.
