

Schedule for Immunizations and Check Ups

We ask that you schedule your child's next wellness exam at the end of the last wellness exam. If you are unable to do so, we suggest calling and scheduling at least 2-4 months before your child is due for their next exam to ensure your child is seen on schedule.

Thank You,

Dr. Bhatt, Dr. Han, Dr. Fowers and Dr. Raja

1 shot	1st week: Follow up from hospital after discharged (1st newborn screening & Hepatitis B #1 given at hospital)
